

A Guide to Neurodiversity Lunch & Learn Workshops

Who we are.

My name is Oliver Fenghour and I am the Director and Founder of Advance: The Disability Consultants. I have a form of Autism known as Asperger's Syndrome. I was diagnosed by a Professor of Neurology at Great Ormond Street at the age of 10. I was diagnosed with Dyspraxia at the age of 4 and I identify as Neurodivergent. Upon leaving school at 16 I struggled for many years to find employment and found there was often a distinct lack of awareness and understanding of Neurodiversity.

Eventually I was helped by the disability charity Mencap into employment with J Sainsburys PLC. Mencap supported me successfully in the workplace for about three years, yet with the financial crash in 2008 and the consequent austerity that followed, meant that the support I had received in the workplace was subsequently removed. I was fortunate that by the time my support in the workplace was removed I was functioning well in the workplace due to the excellent awareness and understanding that my employers and colleagues had of my needs and requirements as a Neurodivergent Adult.

Although, my employment experience post-Sainsburys has been markedly different and too often I have been seen as Oliver the disability and by definition a workplace problem which needed fixing and not Oliver an individual who was capable of adding value to an organisation.

It is estimated that globally according to the CIPD that only 24% of HR professionals have a good working knowledge of Neurodiversity in their workplaces. Yet 76% of HR professionals surveyed have stated that they are keen to further their knowledge of Neurodiversity to ensure that Neurodivergent employees can have access to meaningful opportunities in the modern workplace.

My primary objective of founding Advance: The Disability Consultants is to help give organisations the confidence, knowledge and skills required to successfully recruit, retain, support, and develop Neurodivergent talent in the workplace. As a specialist Neurodiversity consultancy business, we offer Neurodiversity Lunch and learn training for all employees, HR & Recruitment training sessions and workshops, Leadership and Management training sessions and workshops consultancy and a Neurodiversity Ambassador training programme all designed to ensure that your organisation has the right tools required to become a Neurodiversity Confident Employer.
